St Anthony's Catholic Primary School

## Headteacher's Message

### Parents Evening

Thank you for all the parents who visited St Anthony's over the last couple of days for our parents evening. I'm conscious that there were some teething problems with our new system, but I'm pleased that so many of our parents were able to book on themselves, which should bode well for the next event. The relationship between school and parent is essential!

### Healthy Eating

Thank you so much for all the support from parents regarding helping the children make better choices – I have noticed the difference already on the way out of school.

Have a great weekend.

### Go Yellow for Mental Health

Thank you to the Parents Association who suggested that the children wear yellow in support of World Mental Health Day!
