St Anthony's Catholic Primary School

Headteacher's Message

This week I was invited to take four students up Southwark Cathedral in the beginning of the year Mass. This is where headteachers affirm their commitment to Catholic Education in front of the archbishop.

We met Canon Victor Darlington, Episcopal Vicar for Education and Archbishop John Wilson. The children were excellent ambassadors for the school.

European Day of Languages

Thank you to Mrs Burden who organised the European Day of Languages yesterday at St Anthony's. It was wonderful to see the children in all their clothes representing the many cultures we have in our school. Thank you to all the parents who joined us for the picnic at the end of the day and who saw the children perform.
